

warning: objects on the internet may be closer than they appear.

a lot closer.

With DSL from Dixie-Net it's like moving a whole lot **closer** to the stuff you love the most! All your favorite web sites, games, and music could be up to 10 times as fast as they were on regular dialup. So **don't wait** another minute, get DSL from Dixie-Net for only \$39.95 for residential and \$59.95 for business.

Business DSL.....	\$59.95*
Residential DSL.....	\$39.95

* Static IP Included
